Departmental Association (BLITZ) activities of the year 2015-2016

- The EEE students association, BLITZ was inaugurated by Mr. Santhosh K., Deputy Chief Engineer (Grid), LDC Kalamassery followed by the release of the Annual Departmental Newsletter, 'Technovate 2015'.

ENCON Club

- ENCON CLUB was inaugurated in TIST on October 3, 2015, and the following programmes were conducted as a part of the inaugural ceremony.
- The Photography contest was conducted and a total of 11 candidates from different departments participated in the program. The candidates were asked to submit photos reflecting the theme "Pollution is not the solution". Derick Denis from Safety and Fire Department and Amaljith P. M. from Electrical and Electronics Department won the first and second prizes. The quiz competition was conducted and a total of 16 groups from different departments participated in the program.
- Treasure hunt competition was held in the afternoon section as part of competitions. Treasure hunt hints and spots were related to energy and environment conservation. 15 groups consisting of 4 members registered and participated in the first level. 8 groups were selected to the 2nd level of the competition. The program was a grand success and as a result most of the plastics and waste materials were removed by the participants while completing the tasks assigned to them.
- The PowerPoint presentation competition was conducted on 3rd October 2015 in the MBA hall at Toc-H Institute of Science and Technology as part of the inauguration of ENCON club. The theme of the competition was "Lead the scene to keep it green". The students had to spot an environmental problem in an area and give a presentation based on the causes, effects and the mitigation methods against this problem. The prize money offered was INR.2000/- . A total of 11 teams enthusiastically participated in the competition.

Paper Presentation Competition
