

Association & Activities 2016-17

CSAT – The Computer Science and Engineering Students' Association of TIST

CSAT is an active body comprising of the entire faculty and students of the Computer Science and Engineering Department. CSAT was inaugurated on 11th March 2005 by Prof. Jyothi John, Principal, Model Engineering College, Thrikkakara. The association takes initiative for the conduct of various technical sessions, workshops, seminars, inter/intra collegiate competitions etc. throughout the academic year to expose the students to the latest developments in the computer world and enhance their knowledge and awareness in the latest fields of computing. CSAT publishes biannual **technical newsletter 'Tech-E-Bytes'** for providing the students with a quick overview of the cutting-edge technologies in Computer Science. Our **annual newsletter 'Darpan'** gives a detailed report on the association activities and the glorious achievements of students and faculty.

Asst. Professor Leda Kamal and **Asst. Prof. Abin Oommen Philip** serve as the faculty coordinators. **Ms. Sahana M Sherief** of 2014-'18 batch serves as the Secretary and **Mr. Arjun Menon** of 2015-'19 batch serves as the joint secretary of the association.

Darpan 2017 – Annual Newsletter Release

SOCIAL COMMITMENT & EMPOWERMENT ACTIVITIES:

DISTRIBUTION OF INK PENS FOR PROMOTING ECO-FRIENDLINESS

When it comes to protecting the environment, even the impact of a small bit of plastic used to make a ball pen can make a difference; also, the reality is that most ball pens are thrown away at the first sign of trouble or just lost after a single use thereby increasing the plastic waste. The Dept. of CSE of Toc H Institute of Science and Technology, in association with 'Kakkoor Grameena Vayanasala', distributed ink pens to school students, as a first step towards eco-friendliness. The event on 3rd June 2017 was inaugurated by Sri. K M Gopi, Secretary, Muvattupuzha Taluk Library Council. Assoc. Prof. Sreela Sreedhar, HOD-CSE attended the event.

SOCIAL OUTREACH PROGRAM AT SCHOOL:

Yadev Jayachandran of 2016-'20 batch of the Dept. of CSE had taken an motivational session for students at Infant Jesus Public School, North Paravur on 22nd July 2017 to enhance their passion for technology. The topic was 'Trends in Information Technology', which gave an overview of latest technologies and guided the interested students regarding how they can start with.

CYBER SECURITY AWARENESS IN SCHOOLS:

Asst. Prof. Panchami V, Asst. Prof. Abin Philip and Mr. Yadev Jayachandran of 2016-'20 batch of the Dept. of CSE had taken Cyber Security Awareness sessions for students at St. John's High School, Vadakara and Govt. Higher Secondary School, Mannathoor. This is conducted in association with Kerala Police.
