

## **ELECSTA 'Activities 2019 - 20**

### **ELECSTA' inauguration and talk on Recent Progress in atmospheric sciences**

The Electronics And Communication Students Technical association 'ELECSTA' aims at enhancing the technical knowledge of students by conducting various programs like organizing expert lectures, workshops, seminars, industrial visits, Intra & inter department technical competitions and in bringing out the passion, intelligence and creativity in them for bridging the gap between Academics & Industry. It also helps to create the ability to understand and effectively communicate engineering and related concepts, nurture entrepreneurship and leadership qualities to enhance their roles in providing service to the society.

The academic activities of ELECSTA for the year 2020 was inaugurated by Dr.Abilash S,Associate Director,ACARR,CUSAT on 17<sup>th</sup> February 2020, followed by his talk on Recent Progress in atmospheric sciences. The department newsletter 'E-scan-19' got released on the same day.

### **Alumni Meet**

Electronics department of Toc H Institute of Science & Technology had organized the Alumni meet on 14<sup>th</sup> February 2020, Friday in Amarthysen Hall. The alumni meet is conducted in order to reconnect with Alumni and celebrate their success and various achievement. The Alumni meet started with a invocation song seeking the blessings of almighty. The welcoming speech was given by the HOD Dr. Deepa Elizabeth George, she then proceeded with highlighting various milestone reached by electronics dept. in past years. Almost 30 alumni members attended the meet. A multimedia presentation which chronicled the journey of alumni from 2014-'18. After that alumni members shared their experience in and after their college life. The alumni were treated to an enticing musical feast by first year RA students. Asst.Prof. Deepa Mary Varghese proposed vote of thanks, she thanked faculties and student volunteers whose hard work and dedication made Alumni Meet 2020 a grand success.

**Technophilia'20** was the national technical fest organized by the Department of Electronics of Toc H Institute of Science and Technology, on 31<sup>st</sup> January & 1<sup>st</sup> February 2020. It was a two-day fest which gave a great platform not only to the college students but also to the school students. Variety of events were conducted for the participants which provided them with lots of fun and information.

The first day was completely for the college students which focused not only the technical section but also the non-technical section. The day-1 events are as follows:

1. Papyrus (Paper Presentation Competition)
2. Knowhere (Treasure Hunt)
3. Picturesque (Photography Competition)
4. Sell It If You Can
5. County Cricket
6. 3s Football

Students from various colleges across the state participated in the events. The participation was so huge and the approximate number of participants is more than 200. Students from Cochin University of Science and Technology, Government Model Engineering College Thrikkakara, Mar Baselios Christian College of Engineering Peermade, SCMS College, Rajagiri School of Engineering and Technology, Maharajas College, Amal Jyoti College of Engineering, S S College Poothotta, Albertian Institute of Science and Technology took part in various events.

The second day was completely for the school students which mainly focused on the technical section but not leaving behind the non-technical section. The events organized for them includes:

1. Texplora (Project Expo)
2. Robozoid (Robo Rush)
3. Robohike (Step Climbing Robot)
4. Seguidor (Line Follower)
5. Codegram (Coding Competition)
6. Lost (Treasure Hunt)
7. Speedcubing
8. 3s Football

Cash prizes were given to the winners of each event. The approximate number of students participated in the fest is more than 100. Students from Global Public School, Gregorian Public School, St. George High School Arakkunnam, St. Mary's HSS Thalacode, MKM HSS Piravom, Georgian Academy Thrivankulam, MGM Kandanad, Kendriya Vidhyalaya, SNDP HSS Udayamperoor, Government Boys Higher Secondary School Thripunithura and Bhavans Munshi School presented their skills for the fest.
