Workshops/Seminars Organized: 2016-17

A two-day workshop was organized on "HFSS Software in Antenna Design" for M.Tech VLSI & Wireless Technology students on 16th & 17th December 2016 under the guidance of Dr. Gnana Sheela K.

She also guided a three-day workshop on MATLAB for M. Tech. and B. Tech. students from 19th to 21st December 2016.

A two-day workshop on Latex Training, guided by Dr. Gnana Sheela K was organized for M.Tech. and B.Tech. Students on 5th & 7th January 2017.

A Workshop on "Engineering concepts with Lab view" was conducted on 16th and 17th Aug. 2016 by Mr. Vivek R., Engineer, National Instruments, Bangalore, for the S5 & S7 students respectively. The interactive session and hands-on experience introduced the students into the world of virtual instrumentation technologies.

A Workshop on „Introduction to Bread board and PCB Design" was conducted by Mr. Antu Dominic, True Tech World, Angamaly on 17th&18th Aug. 2016 for S5 students. The workshop gave a chance for the students to get a firsthand experience of design and fabrication of PCB boards.

A two-day workshop on „Embedded Software" was organized on 16th& 17th February 2017 for B.Tech students under the guidance of Dr. Gnana Sheela K.

A workshop on „Fourier analysis and Filter design using DSP" was conducted on 4ᵗʰ March2017 by Dr. Rajesh M V, HOD ECE, College of Engineering , Poonjar.

A Project Exhibition was organized by the final year ECE students on 13ᵗʰ March 2017. Theexpo proved to be a stimulating experience for the junior students

QUALITY IMPROVEMENT PROGRAMMES FOR FACULTY (INTERNAL)

An FDP on **„Internet of Things"** was conducted by Digital Shark Technologies Pvt.Ltd. Bangalore ,on 29ᵗʰ and 30ᵗʰ November 2016. The program gave the faculty a vivid opportunity to explore the new arrivals of IOT based modules from Texas Instruments.
