

## **Workshop & Seminar – 2018-2019**

### **Invited Talk: Professor from National University of Malaysia**

**MD MAMUN BIN IBNE REAZ**, Professor in the Centre of Advanced Electronic and Communication Engineering, Faculty of Engineering and Built Environment from **National University of Malaysia**, delivered an exciting talk on Biosensors on April 29th, 2019. S6 and S4 Students participated in the talk.

After the talk, Mr. Mamun was taken on a guided tour around the various laboratories housed in the Department of Electronics & Communication Engineering. He was delighted to see the kind of facilities and equipment TIST is offering to its faculty and students and expressed good wishes for future endeavors.
