Department of Information Technology, TIST

Association Activities

ignIT Activities of the year 2016-2017

The IT Department, TIST organized various departmental activities every year to showcase the achievements & uplift the calibre of students & faculty. Department organized an inaugural ceremony for the IT association (ignIT) activities on 23rd September 2016 which was inaugurated by Mr.Prashanth Prabhu, Cofounder and Developer, Thinking Code Technologies Pvt.Ltd. In the inaugural address he had a talk on "**Internet of things (IoT)**". It is the internetworking of physical devices, vehicles, buildings and other items—embedded with electronics, software, sensors, actuators, and network connectivity that enable these objects to collect and exchange data. In 2013, the Global Standards Initiative on Internet of Things (IoT-GSI) defined the IoT as "the infrastructure of the information society."
