

Interaction with CTS Corporation Team

A group from CTS Corporation visited the labs of the Department of Electronics (DoE) and interacted with the faculty members and students. They were greatly impressed by seeing the activities of the Skill Planning and Acquisition (SPAN) cell of the department. They have expressed their interest in collaborating with TIST.

Interaction with Kerala Startup Mission(KSUM), Kalamassery

The Kerala Startup Mission (KSUM) is the nodal agency of the government of Kerala for promoting entrepreneurship in the state. KSUM acts as a springboard for budding entrepreneurs who wish to launch themselves into the world of technology-based careers and have helped develop several innovative products and solutions.

The final-year BTech Robotics and Automation students visited KSUM and interacted with Mr. M. Fasil, the incubation manager at Kerala Startup Mission, Kochi, who also heads KSUM Corporate Social Responsibility Linkage Initiatives.
