### Association Activities

### MechPrize Scholarship Award Distribution

MechPrize is a merit scholarship exam initiated by National Council for Technology and Training (NACTET), New Delhi and implemented by Armstech Engineers Private Limited, a mechanical construction company based Kerala. Two winners Farooque & Sohail Ashraf were selected from the final year batch (2015 Admission) for "CPrize" scholarship worth Rs.25,000/-. The winners would a get chance to undergo Industrial training at reputed industries such as Refineries. This training would open a new door for them to take up employment in major industries, engaged in erection and piping work.

Industrial visit by Second-year students to KSEB Hydroelectric power plant Panniyar and Sengulam.
