## IEDC-Activities-2016.pdf

### Orientation programme.

**Orientation programme**— TIST IEDC has organised a one day orientation programme on idea generation process and business modeling for first years by Mr. Andrine Mendez CEO of Kitchen, a community partner of the Kerala Startup Mission on 19.03 2016. As part of training initiatives called Frying Pan Academy, they have created workshop modules specially designed for college students – **The YES programme (Young Entrepreneurs Session)**. The YES programme is designed to empower youth to become next generation entrepreneurs and leaders, to explore challenges and rewards of being an entrepreneur, to provide coaching based on a business focused curriculum, to nurture creativity, self confidence, leadership and overall development.

Ninety six students from various branches having flair in entrepreneurship and innovation had attended the session. The one day session was highly benefitted and appreciated by the students.

## **TECHNOPRENEUR–**

TIST team of five students participated TECHNOPRENEUR, the techno managerial symposium conducted by Govt Model Engineering College on 5<sup>th</sup> and 6<sup>th</sup> of March 2016 at IMA hall kaloor, Cochin. TIST team won the best Marketing Pitch award.

In Association with
