## 1.Jeevajalam

Green Campus Efforts – Introducing "Jeevajalam" Bird Water Feeders at TIST Campus In alignment with our commitment to fostering a clean and green environment, we implemented bird water feeders named "Jeevajalam" on TIST campus in honor of World Water Day on March 22, 2023. This eco-friendly initiative reflects our dedication to preserving and sustainably managing water resources to benefit both humanity and the environment. The project also aims to raise awareness about the importance of clean water and encourages responsible usage of freshwater resources.

## 2.PET Bottle Booth

As a testament to our commitment to a Clean and Green Campus, we have installed a PET Bottle Booth within our campus. This eco-friendly initiative not only encourages responsible waste disposal but also promotes recycling practices. The booth serves as a collection point for PET bottles, contributing to a reduction in plastic waste and fostering a sustainable environment. By engaging the campus community in recycling efforts, we aim to raise awareness about the importance of waste management and inspire a collective sense of environmental responsibility. This initiative aligns with our broader mission to create a campus that prioritizes sustainability and ecological well-being.

### 3.Organic Garden at TIST Campus

Commencing on World Water Day, March 22, 2022, TIST Campus initiated a Clean and Green Organic Garden project. This eco-conscious endeavor underscores our commitment to sustainable practices, and promoting a healthier environment. The project aligns with our dedication to fostering a green campus and sustainable living

### 4.World Environment Day

Annually, TIST Campus celebrates World Environment Day, embracing a Clean and Green Campus ethos. This tradition emphasizes our commitment to sustainable practices, inspiring environmental consciousness among students and staff. It serves as a beacon for fostering a campus environment that thrives on eco-friendly initiatives, ensuring a greener future.

## 5.Campus cleaning

In collaboration with KARMA Club TIST, NSS TIST undertook a Clean and Green Campus initiative on November 18, 2022. The joint effort focused on enhancing the campus surroundings, promoting environmental stewardship, and fostering a sustainable ethos. This initiative reflects our dedication to maintaining a pristine and eco-friendly learning environment.
