Sub: International Conference on Business and Information (ICBI) 2018

In continuation with the fruitful academic relationship we have with University of Kelaniya, Sri Lanka, The honourable Vice- Chancellor of University of Kelaniya had requested us to partner with them in the conduct of their prestigious annual conference titled "**International Conference on Business and Information (ICBI) 2018**". The conference is proposed to be held in November 2018.

The same was intimated to the management immediately after our visit to Sri Lanka in November 2017 and a due consent was given by the management to proceed further. Based on the consent from the management, I have conveyed our readiness to host the conference to the University of Kelaniya. As a first step to start with, an Mo U was drafted by the University of Kelaniya mentioning the basic modalities of organising the conference and sent to us duly signed by the Vice Chancellor.

The conference will have the advisory board consisting of three members from our side namely the Founder Director and Manager, the President and the Principal.

The Mo U need to be signed by The President, Toc H public school Society which is to be witnessed by the Founder Director and Manager.

It is also requested that, we may need to start a bank account in the name "ICBI-2018" to receive the registration amount from Foreign and Indian delegates participating for the conference.

We have orally intimated and taken <sup>oral</sup> sanction for an amount of Rs. 2,00,000/- from the management while getting green signal for this proposal. Even then we will take all steps to minimise the financial load to the institution as like all the programmes hosted by MBA department in the past. Majority of the finance will be raised by the University of Kelaniya, Sri Lanka. We also anticipate that we can raise a portion of the required finance through the registration amount from foreign and Indian participants as well as through some sponsorships. A detailed budget will be prepared and submitted to the management in the due course.

The MoU is attached with this letter in duplicate for the signature from the management.

Thanks and Regards

Sub: MOU renewal with University of Kelaniya, regarding:-

Sir,

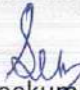

We are in the process of renewing our MOU with University of Kelaniya, which is to be expired during November 2019. With your prior approval for the same, we have sent the draft MOU to the Kelaniya University officials much in advance with the objective to renew the MOU during ICBI 2019, scheduled on October 17<sup>th</sup>. But yesterday we received a mail from Dr.Chamaru stating that the renewal process is getting delayed due to administrative reasons and it may take some more time to get the final approval from the Government of Sri Lanka.

Sir, every year we used to send a group of students along with faculty of MBA Department to ICBI. This year our students are reluctant to go for the conference, as they have their internal and University exams scheduled from 24<sup>th</sup> of October onwards. Due to the exams we cannot force the students also. But, Dr.Chamaru, in his mail requested participation from our institute in the ICBI 2019, which may further strengthen our relationship with the University. In this context, we request you to send at least a faculty member from our department and we propose to send Dr. Arunchand C.H or Dr. George C Mathew to ICBI 2019. Moreover his conference paper is also accepted for ICBI 2019. The expenses for his travel and accommodation will amount to around Rs.50,000/-

Details	Expenses per head
Air fare (to and fro approximate)	Rs.17,300
Visa Processing approximate	Rs.2,800
Accommodation, food, local travel	Rs.22,000
Conference Registration (Special rate as per MoU) - \$100 (Rs 72 per \$)	Rs.7,200
<b>Total per head</b>	<b>Rs.49,300</b>

As per our usual practice we used to give 50% of the total expenses. Considering the present circumstance, we request you to accord sanction to our proposal to send a faculty to ICBI 2019 and also approve Rs.25,000/- to meet his expenses. As we have only less than a weeks' time for the conference, we request your urgent decision in this matter. Copies of all the relevant documents are also attached herewith for your perusal.

With warm regards

**Sub: Students Exchange Programme To Sri Lanka Under the Aegis of  
University of Kelaniya**

Your kind attention is invited to the recent visit of the students and faculty of University of Kelaniya to our Institute. With the whole hearted support of the management to the above event, we could make it a grand success in many facets especially in academic and cultural levels. As the very programme was a student exchange programme between two reputed institutions, they had formally invited us also to visit them at Sri Lanka and participate in the International Conference on Business and Information (ICBI) November 2017. In this regard, it is submitted that we, the faculty and students along with representatives from the management may also visit University of Kelaniya and participate in the international conference in November 2017

In this regard, we have communicated with the parents of our students and roughly 15 students have shown interest to join the student exchange programme. We are happy to inform you that the papers sent by our faculty is reviewed and accepted by the conference chair to be presented in the conference. Three faculty members from the department namely Dr Hareesh N Ramanathan, Mr George C Mathew and Ms Pearly Saira Chacko are planning to accompany the students. The proposed date of the visit is from November 14<sup>th</sup> to November 19<sup>th</sup> 2017. The approximate expenditure as communicated by University of Kelaniya is as follows.

Details	Expenses per head
Air fare (to and fro approximate )	Rs 15,000
Visa Processing approximate	Rs 1500
Accommodation, food, local travel	Rs 19,000
Conference Registration - \$200	Rs 6,500
Special rate as per MoU - \$100 (Rs 65 per \$)	
<b>Total per head</b>	<b>Rs 42,000</b>

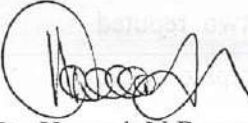

Hence total expenditure for three faculty members will be (Rs 42,000 x 3 = Rs 1,26,000). Therefore, it is submitted that approval may be accorded to the proposal of students exchange

programme as mentioned above. The management had shown the magnanimity to give 50% of the expenditure last time when the delegates visited University of Kelaniya, Sri Lanka to sign the MoU.

Hence it is requested that management may be kind enough to sanction 50% of the total expenses Rs.63,000/- (ie 50% of Rs 1,26,000) altogether for the 3 faculty members of the MBA department who are accompanying the delegation. The expenses for the visiting students will be borne by the students themselves.

Sir,

This is with reference to the Memorandum of Understanding(MoU) signed between our institution and University of Kelaniya for academic, scientific and cultural cooperation between the institutes, dated 22nd November 2014. The MoU was for a period of five years and is due for renewal on November 2019.

The last five years of our cooperation has indeed been very fruitful, most importantly, the joint hosting of the International Conference of Business and Information (ICBI), 2018 by the two institutes which was held at TIST on November 2018. As an off-shoot of this MoU, frequent visits by the delegates from the two institutes had taken place. The other highlights of the MoU were, to list a few:

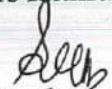

In October 2016, a group of 26 students along with 5 members of the faculty from the Department of Commerce, University of Kelaniya (UoK) paid a visit to Toc H Institute of Science and Technology. Students of MHRM, University of Kelaniya, comprising of 26 students and 2 faculty members visited Toc H Institute of Science and Technology in February 2017. The delegates participated in Denovo 2KI7- the International Management Fest organized by the Department of Management Studies. A team of nineteen members including students and faculty visited UoK for a six-day student exchange programme. The delegates also participated in the 8th International Conference on Business and Information (ICBI 2017).

Apart from this, joint research project works as well as joint research publications have also been achieved under the MoU.

In this context, we wish to continue the cooperation with University of Kelaniya and hence we would like to renew the MoU during our visit for ICBI 2019, scheduled in the month of October. A draft MOU is attached herewith. The institute is being represented either by the President or by the Secretary or a person nominated by the Board of Toch Public School Society during the MOU signing function in October 2019. Since the University of Kelaniya requires a final approval from the Government of Sri Lanka, they are waiting for the name of our Management representative which is to be included in the MOU. I request a speedy decision in this matter from your good-self.

Thanking you

Yours faithfully

  
Dr. Sreekumar P  
HOD, MBA.

*Requested as a management representative nominated same for adding in the MOU. may be for the adding in the MOU.*
