AKHIL BHARTIYA SHIKSHA SAMAGAM (29.07.2023)

Toc H IIC members participated actively in the 3rd Anniversary of the National Education Policy (NEP) 2020 and the 2nd edition of the Akhil Bhartiya Shiksha Samagam was held on 29.07.2023.

INTER INSTITUTIONAL START UP COMPETITION (07.07.2023)

Toc H IIC, in association with the Department of Mechanical Engineering conducted an "Inter Institutional Start Up Competition "on 07.07.2023.

WORLD INTELLECTUAL PROPERTY DAY (30.06.2023)

Toc H IIC, in association with the Department of Mechanical Engineering celebrated "World Intellectual Property Day" on 30.06.2023.

SESSION ON INNOVATION/PROTOTYPE VALIDATION - CONVERTING INNOVATION INTO A START-UP (23.06.2023)

Toc H IIC, in association with the Department of Mechanical Engineering organized a talk on "Session on Innovation/Prototype Validation - Converting Innovation into a Start-up" on 23.06.2023.

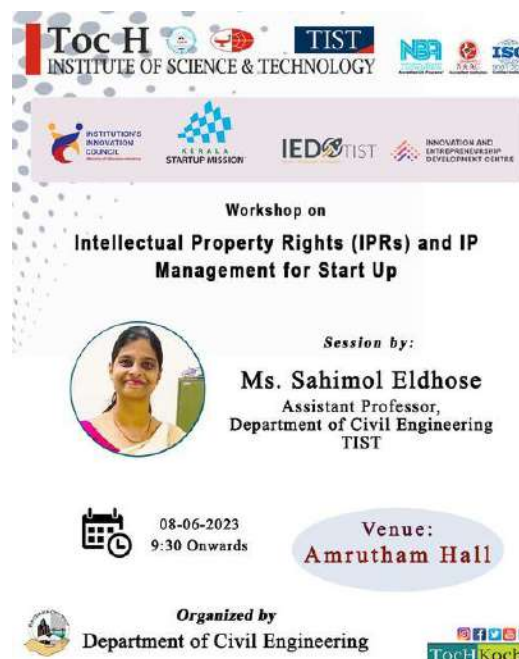

PROJECT EXPO (23.06.2023)

Department of Civil engineering & Toc H IIC together conducted a project Expo that featured a remarkable array of projects based on innovative technologies, conceived and executed by final year Civil engineering students 2019-23' Batch of TIST on 23rd June 2023.

INTELLECTUAL PROPERTY RIGHTS (IPR) AND IP MANAGEMENT FOR START UP (08.06.2023)

Toc H IIC, in association with the Department of Civil Engineering organized a workshop on "Intellectual property rights (IPR) and IP management for Start up" on 08.06.2023.

WORLD ENVIRONMENT DAY (05.06.2023)

Toc H IIC, in association with the Department of Civil Engineering celebrated “World Environment Day” on 05.06.2023.

ORIENTATION SESSION ON RELEVANCE OF IICS IN HEIS (22.05.2023)

Toc H IIC in association with IEDC conducted an orientation session on the increasing relevance of IICs in Higher Education Institutions (HEIs), by Dr Sreeja M S , president Toc H IIC gave on 22nd May 2023 at the Einstein Block in Toc H Institute of Science & Technology.

SQUAD SKILLS (02.05.2023-12.05.2023)

A joint internship program was organized for first-year students by the Department of Computer Science & Engineering and Toc H IIC, in partnership with Technolodge, (Kerala's first Rural IT park), Piravom. It was conducted by gooseBerryMedia, an IT startup located in Technolodge, in partnership with Neuralux Foundation.

WORLD EARTH DAY (24.04.2023)

The Department of Electrical & Electronics Engineering, in collaboration with IIC TIST, distributed tree saplings to students and faculties on April 24, 2023, as part of the Earth Day celebration.

WORLD CREATIVITY DAY (20.04.2023)

Toc H IIC, in association with the Department of Computer Science & Engineering celebrated "World Creativity Day" on 20.04.2023.

SESSION ON HOW TO PLAN FOR START-UP AND LEGAL & ETHICAL STEPS

(20.04.2023)

IIC talk series

Topic : "SECRETS TO START UP" By Mr Amal Vijay,
CEO, Just Order Online; JOOPIUM , London UK

SESSION ON ANGEL INVESTMENT/VC FUNDING OPPORTUNITY FOR EARLY-STAGE (03.04.2023)

Toc H IIC, in association with the Department of Civil Engineering organized a talk on "Session on angel investment/VC funding opportunity for early-stage entrepreneurs" on 03.04.2023.

INDUSTRIAL VISIT (31.03.2023)

"Entrepreneurship is living a few years of your life like most people won't, so that you can spend the rest of your life like most people can't."

Our B.Tech CSE S2 students, accompanied by Asst. Prof. Chintu P Chacko and Asst. Prof. Leema Mathew, embarked on an incredible journey to Maker Village, Kerala Startup Mission, Kochi as part of the G20-DIA Regional Meet on 31st March 2023. This immersive experience has ignited their entrepreneurial spirit and exposed them to the vibrant startup ecosystem.

Sincere thanks to Toc H IEDC and IIC for the support and bravo to our students and professors for embracing this remarkable opportunity!

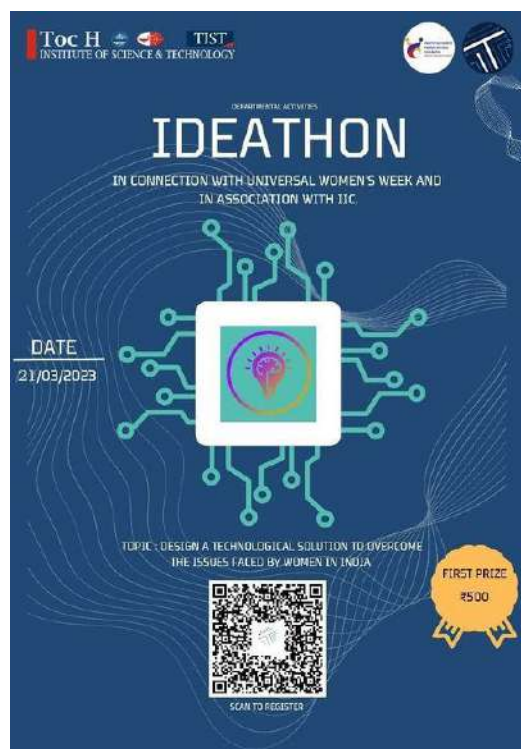

INNOVATION & ENTREPRENEURSHIP PROGRAM (23.03.2023)

Toc H IIC, in association with the Department of Safety and Fire Engineering organized "Innovation & Entrepreneurship Program" on 23.03.2023.

IDEATHON (21.03.2023)

Toc H IIC, in association with the Department of Information Technology conducted an ideathon contest on "Design a Technological solution to overcome the issues faced by women in India" on 21.03.2023.

NATIONAL SAFETY DAY (04.03.2023)

Toc H IIC, in association with the Department of Safety and Fire Engineering celebrated "National Safety Day" on 04.03.2023.

A VISIT TO MATTER MATERIAL TESTING AND RESEARCH LABORATORY AT CALICUT (21.02.2023)

To cultivate the strong links with Industry and Institute, Department of Civil Engineering, in association with IIC organized an interaction program with Matter Lab at Calicut on 21/2/2023. This will promote various industrial activities by the faculty members and students in association with Industries. Faculty members and final year students had a fruitful session with experts.

NATIONAL SCIENCE DAY (10.02.2023)

The Department of Electrical & Electronics Engineering, in collaboration with IIC TIST, celebrated national science day on 10th February 2023. Various activities including quiz competition, crossword puzzle competition, pencil drawing competition were conducted and certificates were distributed to the top three winners. Students from various departments took part in the event.

ROAD SAFETY AWARENESS USING INNOVATIVE TECHNOLOGY (06.02.2023)

Toc H IIC, in association with the Department of Safety and Fire Engineering organized Safety Awareness Program on 06.02.2023.

WORKSHOP ON ENTREPRENEURSHIP SKILL, ATTITUDE AND BEHAVIOUR DEVELOPMENT (31.01.2023)

Skill development plays a vital role in enhancing employability, productivity, sustainable development, and inclusive growth. Hence, TIST Institution Innovation Council (IIC), in association with the Department of Computer Science and Engineering is organizing an entrepreneurship skill development workshop aimed at encouraging students to translate their ideas into action, and to build their entrepreneurial skillset.

MIC's Leadership Talk (30.01.2023)

Toc H IIC found the Leadership Talk by MIC held on 30.01.2023, very helpful.

ORIENTATION SESSION ON IIC 5.0 & FEATURES (11.01.2023)

MIC's Orientation Session on IIC 5.0 & Features was held on 11.01.2023. Top H IIC members could benefit a lot from the same.

NATIONAL ENERGY CONSERVATION DAY (16.12.2022)

As a part of National Energy conservation day, Energy Club of Department of Electrical & Electronics Engineering in cooperation with IIC TIST conducted a quiz competition for the students on 16th December 2022.

Workshop on Innovative Practices on Digital Transformation (02.12.2022)

Dept of Information Technology, Toc H IEDC & Toc H IIC jointly organised a Workshop on innovative practices of digital transformation on 02.12.2022 at Toc H Institute of Science & Technology . Mr Aster Antony Kaitharath handled a very informative and active workshop for the participants.

WORLD POLLUTION PREVENTION DAY (02.12.2022)

Toc H IIC, in association with the Department of Civil Engineering celebrated "World Pollution Prevention Day" on 02.12.2022.

MAKER VILLAGE VISIT (17.11.2022)

TIST IEDC, Department of Computer Science and Engineering & Toc H IIC jointly organized a one day visit to MAKER VILLAGE on 17th November 2022 as part of Innovative Premier League - a flagship event of Kerala Startup Mission.

MY STORY- MOTIVATIONAL SESSION BY SUCCESSFUL ENTREPRENEUR (04.11.2022)

The Department of Civil Engineering, TIST organized a Motivational Session by a Successful entrepreneur Er. Arun K Biju (M Tech 2016-18 Batch) on 04/11/2022 in association with IIC and IEDC, TIST.

MY STORY-MOTIVATIONAL SESSION BY SUCCESSFUL ENTREPRENEUR (28.10.2022)

Toc H IIC was extremely proud & glad to have, Mr. Muhammed Juhaim Ibnu Abdul Jabbar, one of our respected alumni, (Head of Operations, BluArmor's) to motivate his juniors with his success story.

Workshop on “Entrepreneurship and Innovation” as Career Opportunity (21.10.2022)

Department of Civil Engineering & Toc H IIC organized a workshop on “Innovation as Career Opportunities in Engineering”, with an emphasis on Civil Engineering on 21.10.2022 for the IIC members.

FIELD VISIT FOR PLANT EXAMINATION AND CASE STUDY (19.10.2022)

Toc H IIC & Department of Safety & Fire Engineering jointly organized a field visit on 19.10.2022, to learn about the innovative measures adapted in the safety systems attached to Industrial Plants. It helped the students to evaluate and check the General safety systems and safety measures followed by the plant.

STARTUP INDIA DAY (15.10.2022)

Department of *Mechanical Engineering* in association with *IIC-TIST* celebrated the *START-UP DAY* by organizing a *Content Writing Competition*. Out of 70+ entries received, three best write-ups were selected.

NATIONAL INNOVATION DAY (15.10.2022)

Every year on 15th October Dr.A.P.J.Abdul Kalam's Birthday is celebrated as National Innovation Day. By giving a tribute to Dr.A.P.J.Abdul Kalam, our College Institution's Innovation Council (IIC) and Department of Electronics are jointly organized a Workshop on Connected devices – 'Connect your sensors with Google Firebase' at 9am on 15th October at College. The workshop was aimed at creating awareness among students about the significance of innovation and creativity in a vast and changing world.

MY STORY - MOTIVATIONAL SESSION BY SUCCESSFUL INNOVATORS (15.10.2022)

TIST Institution Innovation Council (IIC) in association with the Department of Computer Science and Engineering & IEDC has organized an Online Session "My Story- Motivational Session by Successful Innovator". On the 15th of October (Saturday) at 01:30 p.m., for an inspiring and motivating talk by Mr. Yadev Jayachandran, one of our successful alumni.

LAUNCH OF 5G (01.10.2022)

Toc H Institute of Science & Technology is glad to be a part of the launch of 5G by Hon Prime Minister of India on Oct 1st, 2022 at 10.00 am.

COMPOSE CAMP TRAINING SERIES (30.09.2022-07.10.2022)

Dept of Computer Science & Engineering & Toc H IIC jointly organized Compose Camp, 30 Hours training series, on **innovative practices** on Android Development using Jetpack Compose conducted by Google Developer Student Club of Toc H Institute of Science and Technology

Compose Camps gave a great opportunity to the IIC members to ignite their innovative thinking and also to get hands-on coding experience on how to develop apps using latest toolsets in modern way.

Students got wide exposure to the state-of-the-art practices in the field of Android Development. Many industry experts delivered talks about the career opportunities & **startups** on Android development.

WORKSHOP ON R PROGRAMMING (30.09.2023)

A one-day hands-on session on R programming was organized by the Department of Information Technology for our final year students of B Tech in association with Toc H IIC and Innovations & Entrepreneurship Development Center (IEDC),TIST, on 30thSeptember 2022. Assistant Professor Sreejith R, Department of Business Administration Rajagiri College of Social Science was the resource person.
