About Us

Toc H is an international organization with its headquarters in the UK. Toc H International was founded by Rev. Tubby Clayton, an army chaplain, in a tall white house in Poperinge, Belgium, during the First World War. Talbot House, as the house was called – or Toc H in signaller’s code – provided a haven of rest and refuge for wounded and sick soldiers. With the restoration of peace in 1918, Toc H became a worldwide movement.

The Cochin branch of Toc H was started in the early seventies. Toc H Institute of Science and Technology (TIST) which started in the year 2002, as a silver jubilee project of the Toc H Public School Society and is the synonym for excellence in education. Crowned with a reputation that has been painstakingly achieved over 25 years of successful existence, TIST is an inevitable extension of the gorgeous Toc H ethos, that keeps abreast of the emerging technologies and imparts technical education with a global perspective.

The MBA Programme was incepted in the year 2008 with the aim of transforming students into competent future managers for a brighter tomorrow. And till date has made a mark in the industry with its competent managers.

MBA Programme

Started in 2008, to develop young men and women into confident and competent professionals capable of working in organized sectors of industry and as entrepreneurs while contributing to the welfare of the society. The growing requirement intellectual capital, envisioned Toc H towards the mission of offering Management Education with a focus- “To blend skills for an Innovative and Creative Leadership in every sphere”. TIST offers two year full Day Master of Business Administration (MBA) programme with specialization in Finance, Marketing, Human Resource, Operations, and Systems.

Affiliation

Toc H Institute of Science and Technology is affiliated to APJ Abdul Kalam Technological University (initially Kerala Technology University), a State Government University that has come into existence on May 21, 2014, with an aim to give leadership to the technology related policy formulation and Engineering Planning for the State. The University also emphasize to improve the academic standards of the Graduate, Post Graduate and Research Programmes in Engineering Science, Technology and Management and regulate the academic standards of all colleges affiliated to the University. The main thrust areas of the University are Research, Development, and innovation.

Pedagogy

We believe in equipping the budding managers, groomed from our campus with the updated pedagogical tools that enable them to cope with the fast-paced corporate world. To implement this, we follow a perfect blend of classroom teaching, case-based teaching, experiential learning, market exposure and many more. This will enable them to observe, learn, analyze and take effective decisions.

MBA Programme Highlights

- First Institute in Kerala to be funded by European Union, Erasmus + for faculty and student Exchange.
- Student Exchange Programme with University of Kelaniya, Sri Lanka.
- Accomplished faculty with an average work experience of 15 years and more.
- Excellent Placement record with highest CTC of Rs.15.72 LPA
- Certification Programme on Excel Expert Microsoft 365 Apps
- Add on sessions in SPSS, Power BI and Data visualization Tools.
- A batch strength of 60 students - ensuring the perfect balance for effective guidance

Specialisations Offered

- Marketing
- Finance
- HR
- Systems
- Operations

MICROSOFT OFFICE SPECIALIST EXCEL EXPERT 365 APPS

A seven-day intensive workshop on Microsoft Excel and Power BI was led by Mr. Jomon Joseph, CEO, The Strategist. The program focused on enhancing students' skills in data analysis and technical proficiency. It concluded with a Microsoft certification, awarding participants globally recognized credentials in the Microsoft 365 suite.

Academic MoUs

Toc H MBA became the first institute in Kerala to partner with Veleuciliste U Pozegi, Croatia, under the prestigious Erasmus + Mobility programme. Erasmus stands for European Community Action Scheme for the Mobility of University Students, established in 1987. Erasmus+ is a government-run programme by the European Union and is managed by agencies in each EU member country. The programme focuses on four different areas: education, training, youth, and sports, to improve skills and employability. To formalise the partnership, a Memorandum of Understanding was signed involving Veleuciliste U Pozegi, Croatia, and Toc H Institute of Science and Technology under the prestigious ERASMUS + exchange programme in 2018. This MOU offers an exchange of faculty and students between these two institutions. Under this agreement, six faculty members have represented India for the Erasmus+ Teaching Mobility for Academic Staff.

International Student Exchange Programme - UoK

A Memorandum of Understanding for academic, scientific, and cultural cooperation between the University o Kelaniya, Sri Lanka, and the Toc H Institute of Science and Technology, Kerala, which was initially signed i 2014, was reviewed in 2023 for a period of five years. The fruitful association has resulted in seven student exchange programmes, two jointly organised international seminars, and co-hosting the first ever Indo-S Lankan research collaboration (ICBI 2018) at TIST campus. The event witnessed the participation of international delegates from countries like New Zealand, China, Sri Lanka, and Pakistan.

Glimpses of Erasmus+ - Faculty Exchange Programmes

Flagship Events

De'Novo- The International Management Fest

De' Novo, launched in 2010, is the annual management fest that brings together national and international B-school students to showcase their talents through innovative and challenging events. Entirely managed and executed by students, it attracts around 400 participants each year, offering hands-on experience in organizing a large-scale fest.

Grand Onam Trade Fair

The Department of Management Studies organizes a two-week Onam Trade Fair each year to promote entrepreneurial skills among students. The proceeds from the fair are used to support the department's flagship event, De' Novo.

Department's Extension Activities

As part of the CSR activity of the college, the ToCH MBA department conducted a student enrichment programme named "Upskilling the Changing Scenario" on 10th February 2025, collaborating with Chinmaya Arts and Science College for Women.

Corporate Interaction - "Talbot Talk"

The Department organizes Corporate Talk sessions where distinguished alumni and industry professionals share their insights and experiences with students. Recent sessions featured experts like Sreelal M. R., Priyanka George, and John Kuriakose, who provided valuable perspectives on corporate practices and industry expectations.
