

Strengthening Research and Innovation Ecosystems in HEIs: Leveraging MANTHAN and UTTHAN for Institutional Transformation (02.09.2026)

Strengthening Research and Innovation Ecosystems in HEIs: Leveraging MANTHAN and UTTHAN for Institutional Transformation” organized in collaboration with the Office of the Principal Scientific Adviser to the Government of India.

Empowering Innovation and Start-up Ecosystem (28.08.2026)

MIC organized the “Empowering Innovation and Start-up Ecosystem” on 28.08.2026.

Speaker: Dr.Dipan Sahu(MoE’s Inovation cell,AICTE)

Initiatives, Policies and Programmes for Innovation and Start- (25.08.2026)

MIC organized the “Initiatives, Policies and Programmes for Innovation and Start-up Ecosystem” on 25.08.2026

Speaker: Mr.Abhishek Ranjan, Dr.Dipan Sahu (MoE’s Inovation cell,AICTE), Mr.Pramit

India’s IPR policy for startups (24.08.2026)

The MIC-driven activity was organized with the objective of creating awareness among students and faculty members about the national ecosystem supporting innovation, intellectual property, entrepreneurship and start-ups. The sessions provided exposure to India’s Intellectual Property Rights (IPR) policy and its relevance to innovators and start-ups, while also introducing major initiatives and programmes supporting innovation in Higher Educational Institutions. The activity further aimed to familiarize participants with the role of Atal Innovation Mission, NITI Aayog, Ministry of Education’s Innovation Cell (MIC) and AICTE in strengthening the innovation and start-up ecosystem.

World Entrepreneurs Day (21.08.2026)

Toc H IIC, in association with the Department of Mechanical engineering celebrated "World Entrepreneurs Day" on 21. 08. 2026.

Session on Accelerators/ Incubation Opportunities (13.08.2026)

Toc H IIC, in association with the Department of Computer Science and engineering organized "Session on Accelerators/ Incubation Opportunities" on 13.08.2026.

Workshop: Using AI for Fundraising & Investor Pitch Preparation (03.08.2026)

The Department of Safety & Fire Engineering, in association with the Institution's Innovation Council (IIC), organized a workshop on " Using AI for Fundraising & Investor Pitch Preparation " on 3 August 2026.

Innovation/Prototype Validation & Value Proposition Fit & Business fit (03.08.2026)

Toc H IIC, in association with the Department of Information Technology organized " Innovation/Prototype Validation & Value Proposition Fit & Business fit "on 03.08.2026.

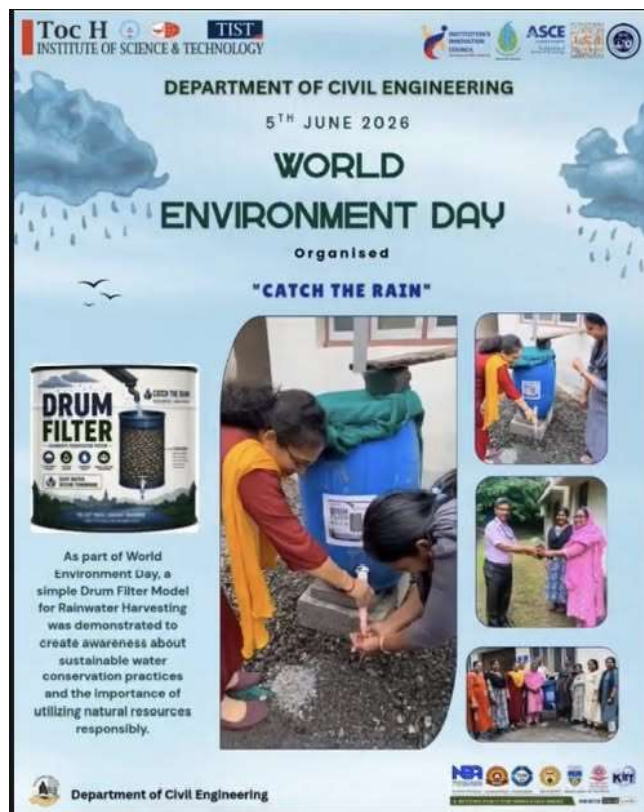

Funding Opportunities for Biotech Innovations : BIRAC Schemes (24.07.2026)

The Department of Safety and Fire Engineering, TIST, in association with the Institution's Innovation Council (IIC), successfully organized a Orientation Session on "Funding Opportunities for Biotech Innovations in HEIs: BIRAC Schemes" on 24 July 2026.

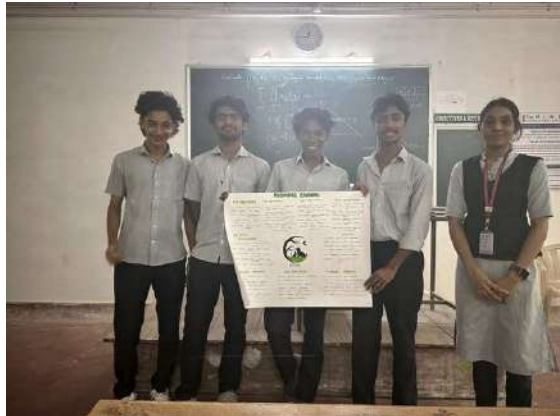

World Environment Day (05.06.2026)

Toc H IIC, in association with the Department of Civil engineering celebrated "World Environment Day on 05.06.2026.

Workshop on Business Model Canvas (BMC) & Business Model Fit (03.05.2026)

Toc H IIC, in association with the Department of Civil engineering organized "Workshop on Business Model Canvas (BMC) & Business Model Fit" on 03. 05. 2026.

Workshop: Protecting IPR and IP Management for Start-ups (24.04.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering organized "Workshop on Intellectual Property Rights (IPR) and IP Management for Start Up " on 24.04.2026.

Workshop on Raising Capital and Finance Management for Start-ups (24.04.2026)

Toc H IIC, in association with the Department of Information Technology organized "Workshop on Raising Capital and Finance Management for Start-ups" on 24.04.2026.

World Intellectual Property Day (24.04.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering celebrated "Workshop on Intellectual Property Day" on 24.04.2026.

World Creativity and Innovation Day (21.04.2026)

Toc H IIC, in association with the Department of Computer Science and engineering celebrated “World Creativity and Innovation Day” on 21.04.2026.

Session on Start-up Legal & Ethical Steps (17.04.2026)

Toc H IIC, in association with the Department of Computer Science and engineering organized “Session on Start-up Legal & Ethical Steps” on 17.04.2026.

Demo Day/Exhibition/Poster Presentation of Start- Ups & Linkage with Mentors/Experts (27.03.2026)

Toc H IIC, in association with the Department of Civil engineering organized “Demo Day/Exhibition/Poster Presentation of Start- Ups & Linkage with Mentors/Experts” on 27.03.2026.

Start-up Legal & Ethical Steps (23.03.2026)

A session on “Start-up Legal & Ethical Steps” was conducted on 23rd March 2026 in association with the Institution’s Innovation Council (IIC).

The session was led by Dr. Stephy James, Associate Professor, Department of Safety and Fire Engineering, providing valuable insights into the legal and ethical aspects of establishing and managing a start-up.

Demo Day/Poster Presentation of Business Plans & Mentor Linkages (19.03.2026)

Toc H IIC, in association with the Department of Computer Science and engineering organized “Demo Day/Poster Presentation of Business Plans & Mentor Linkages” on 19.03.2026.

Instagram

Exploring Innovations - Machine Learning with No Code Tools (17.03.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering and Electrical & Computer engineering organized " Exploring Innovations - Machine Learning with No Code Tools " on 17.03.2026.

National Technology Day (14.03.2026)

Toc H IIC, in association with the Department of Information Technology celebrated "National Technology Day" on 14.03.2026.

Demo Day/Poster Presentation of Business Plans & Mentor Linkages (10.03.2026 & 11.03.2026)

The Mentoring Event: Demo Day/Poster Presentation of Business Plans & Mentor Linkages was successfully conducted on 10th and 11th March 2026 by Department of Safety and Fire Engineering in association with IIC

The event provided participants with an opportunity to present their business ideas, receive valuable feedback, and interact with mentors to strengthen their entrepreneurial journey.

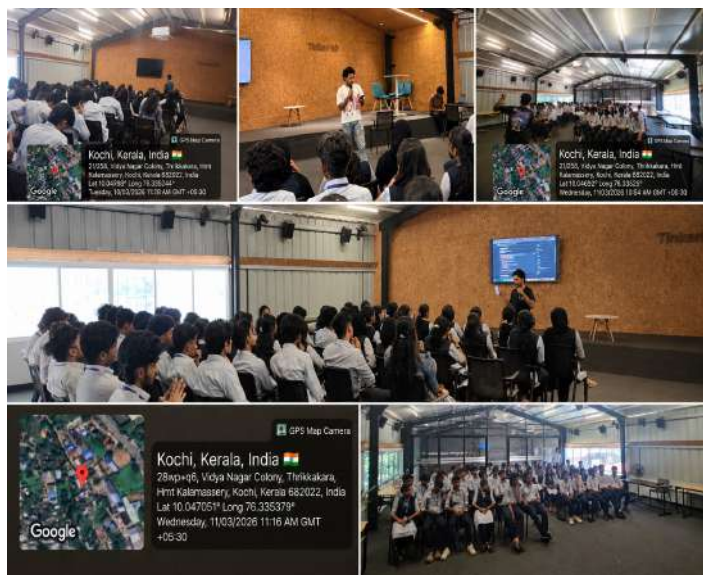

Innovation Showcase Exhibition and Poster Presentation of Innovation/Prototypes (09.03.2026)

Toc H IIC, in association with the Department of Computer Science and engineering organized “Innovation Showcase Exhibition and Poster Presentation of Innovation/Prototypes” on 09.03.2026.

Field/Exposure Visit to Preincubation Units (10.03.2026-13.03.2026)

The Department of Computer Science & Engineering along with Tinkerhub Toc H & IIC at Toc H Institute of Science & Technology organized an industrial visit to Tinkerspace, kochi on 10th ,11th, 12th March 2026 for the First Year B. Tech CSE Students. The visit provided students with valuable practical exposure to real world technologies, innovation practices and collaborative work environments. They explored the facilities at Tinkerspace and understood how ideas are developed into useful solutions.

Post Budget Webinar 2026-27 on "Sabka Saath, Sabka Vikas - Fulfilling Aspirations of People (09.03.2026)

Toc H IIC in association with department of CSE attended this insightful webinar that covered the key highlights and initiatives from the Union Budget 2026–27 focusing on the transformation of the education sector. The session explored opportunities in skill development, innovation, research, and the creation of future-ready university ecosystems.

Field/Exposure Visit to Incubation and Technology Transfer Facility (06.03.2026)

Toc H IIC, in association with the Department of Civil engineering organized "Field/Exposure Visit to Incubation and Technology Transfer Facility" on 06. 03. 2026.

National Science Day (28.02.2025)

Toc H IIC, in association with the Department of Mechanical engineering celebrated "National Science Day" on 28.02.2025

AI & Innovation Sprints: Rapid Prototyping for Digital Transformation (27.02.2026)

Toc H IIC, in association with the Department of Computer Science and engineering organized "AI and Innovation Sprint: Rapid Prototyping for Digital Transformation" on 27.02.2026.

Innovation & Entrepreneurship Outreach Program in Schools (27.02.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering organized "Innovation & Entrepreneurship Outreach Program in Schools" on 27.02.2026.

Workshop on Product- Market fit; Prototype/ Process Design and MVP Development (26.02.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering organized "Workshop on Product- Market fit; Prototype/ Process Design and MVP Development" on 26.02.2026.

Expert Talk on Technology Readiness Level (TRL), MRL, IRL, IP Commercialization, Tech- Transfer (11.02.2026)

Toc H IIC, in association with the Department of Information Technology organized "Expert Talk on Technology Readiness Level (TRL), MRL, IRL, IP Commercialization, Tech- Transfer " on 11.02.2026

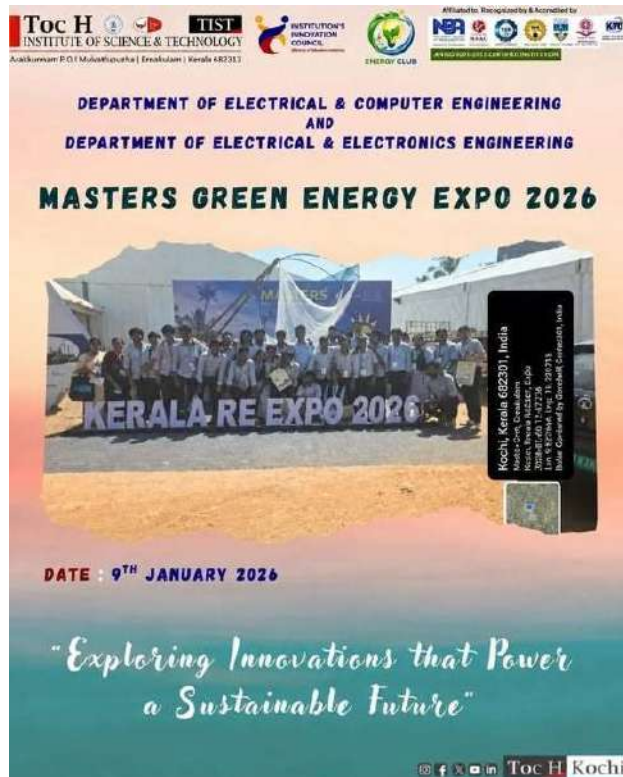

AI for Atmanirbhar Bharat: HEI Pre-Summit Engagements towards IndiaAI Impact Summit 2026 (16.01.2026)

Building momentum for the India AI Impact Summit 2026, Toc H IIC, in association with the Department of Computer Science & Engineering, successfully hosted an insightful Panel Discussion and Expert Talk on 'Exploring AI Innovations and Career Pathways'.

MASTERS Kerala RE Expo 2026 (09.01.2026)

Toc H IIC, in association with the Department of Electrical & Electronics engineering and Electrical & Computer engineering organized " MASTERS Kerala RE Expo 2026 " on 09.01.2026.

Workshop on Design Thinking, Critical Thinking & Innovation Design (07.01.2026& 08.01.2026)

Toc H IIC, in association with the Department of Robotics & Automation organized "Workshop on Design Thinking, Critical Thinking & Innovation Design" on 07.01.2026 & 08.01.2026.

National Startup Day (16.01.2026)

Toc H IIC, in association with the Department of Computer Science and engineering celebrated "National Startup Day" on 16. 01. 2026.

Design Thinking in Innovation (08.01.2026)

Toc H IIC in association with IEDC conducted a session on “Design Thinking in Innovation” by Dr Sreeja MS, Innovation Ambassador & President, Toc H IIC, for the IIC student members on 08.01.2026 at Ramanujan Hall, Einstein Block, TIST. The speaker systematically covered the vital phases of the Design Thinking framework: Empathize, Define, Ideate, Prototype, and Test. A brief interactive ideation exercise was conducted, and the session concluded with an engaging Q&A slot, during which participants clarified doubts regarding the topic.

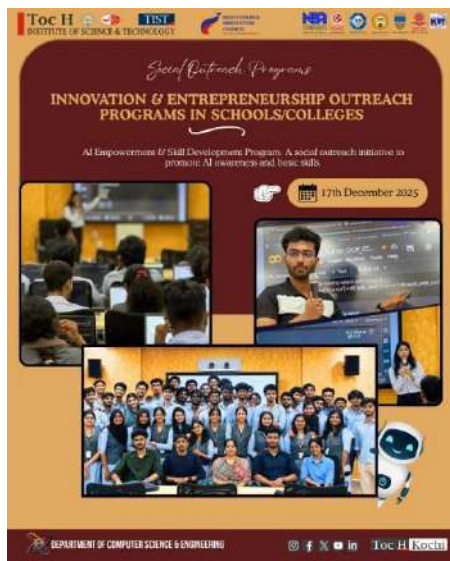

Pollution free Environment (31.12.2025)

Toc H IIC, in association with the Department of Electrical & Electronics engineering organized "Pollution Free Environment" on 31.12.2025.

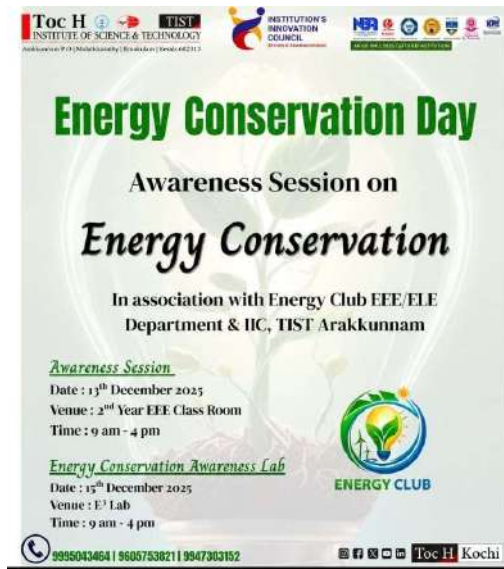

Innovation & Entrepreneurship Outreach Program in Schools (17.12.2025)

Toc H IIC, in association with the Department of Computer Science and engineering organized "Innovation & Entrepreneurship Outreach Program in Schools" on 17. 12. 2025.

National Energy Conservation Day (13.12.2025)

Toc H IIC, in association with the Department of Electrical & Electronics engineering celebrated "Energy Conservation Day" on 13.12. 2025.

National Energy Conservation Workshop (13.12.2025 &15.12.2025)

Toc H IIC, in association with the Department of Electrical & Electronics engineering organized "Energy Conservation workshop " on 13.12. 2025 &15.12.2025.

Workshop on AI and Industry 4.0 Technologies for Innovators and Entrepreneurs (11.12.2025-12.12.2025)

Toc H IIC in association with the department of Robotics & Automation Engineering organized “Workshop on AI and Industry 4.0 Technologies for Innovators and Entrepreneurs” on 11.12.2025-12.12.2025.

National Pollution Control Day (02.12.2025)

The Department of Safety and Fire Engineering, in association with IIC, organized a program on 02/12/25 in observance of National Pollution Control Day to raise awareness about the importance of pollution prevention and environmental protection.

Innovative talk on Sustainable and Disaster Resilient Urban Transport Systems (01.12.2025)

Toc H IIC in association with the department of Civil Engineering organized “Innovative talk on Sustainable and Disaster Resilient Urban Transport Systems” on 01.12.2025.

My Story/ Motivational Expert Sessions by Successful innovators & Entrepreneurs (19.11.2025)

Toc H IIC in association with the department of Computer Science & Engineering organized “My Story/ Motivational Expert Sessions by Successful innovators & Entrepreneurs” on 19.11.2025.

Awareness Workshop: “Entrepreneurship & Innovation” as Career Opportunities (18.11.2025)

The Department of Safety and Fire Engineering, in association with IIC, successfully organized an Awareness Workshop on “Entrepreneurship & Innovation as Career Opportunities” on 18.11.25.

The session inspired students to explore entrepreneurship, innovative thinking, and startup opportunities as promising career paths. It provided valuable insights on turning ideas into impactful ventures and encouraged participants to develop an entrepreneurial mindset.

Workshop on AI and I4.0 Tools for Innovators and Entrepreneurs (12.11.2025)

Toc H IIC in association with the department of Computer Science & Engineering organized “Workshop on AI and I4.0 Tools for Innovators and Entrepreneurs” on 12.11.2025.

Innovation Showcase: Poster Presentation of Innovations/Prototypes (09.09.2025)

Toc H IIC in association with the department of Civil Engineering organized “Poster Presentation of Innovations/Prototypes” on 09.09.2025.

IPR Basics for Innovators & Entrepreneurs (01.09.2025)

Toc H IIC in association with the department of Information Technology organized “IPR Basics for Innovators & Entrepreneurs” on 01.09.2025.
